Classes & Group Support by Modoc Nation Behavioral Health

Alcohol & Drug Substance Abuse Courses (ADSAC)

ADSAC courses help people with driver's licenses that have been suspended or revoked due to alcohol or drug-related offenses by identifying substance abuse issues and reduce repeat offenses through assessments, classes, and treatment programs.

modocnationhealthservices.com/lost-river-treatment-center

918.303.5433

Mental Health First Aid

Mental Health First Aid for Adults teaches people how to recognize signs of mental health or substance use challenges, how to offer & provide initial help, and how to guide a person toward appropriate care.

modocnationhealthservices.com/lost-river-treatment-center

918.303.5433

Narcan Training & Education

Narcan training designed to empower community members with the knowledge and skill to respond effectively to opioid overdoses. This initiative also aims to combat the stigma surrounding substance misuse.

modocnationhealthservices.com/lost-river-treatment-center

918.303.5433

Livingworks ASIST

LivingWorks ASIST is a two-day in-person workshop where you'll learn how to recognize when someone may be thinking about suicide, and how to provide a skilled intervention and develop a safety plan with the person to connect them to further support.

modocnationhealthservices.com/healing-house

918.876.0437

Livingworks SafeTALK

LivingWorks safeTALK is a four-hour training that equips people to be more alert to someone thinking of suicide and better able to connect them with further help.

modocnationhealthservices.com/healing-house

918.876.0437

Positive Indian Parenting

Positive Indian Parenting is an eight-week course on traditional and cultural-specific parenting practices and values, exploring attitudes of traditional ways and applying them to values and challenges of modern parenting skills.

modocnationhealthservices.com/healing-house

918.876.0437

Question, Persuade & Refer - QPR

QPR stands for Question, Persuade, and Refer — the 3 simple steps anyone can learn to help save a life from suicide. People trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. QPR can be learned in our Gatekeeper course in as little as one hour.

modocnationhealthservices.com/healing-house

918.876.0437

Youth Mental Health First Aid

Identify. Understand. Respond. Mental Health First Aid is an evidence-based, early-intervention course that teaches participants about how to recognize mental health and substance use challenges.

modocnationhealthservices.com/healing-house

918.876.0437

De-escalation Strategies

Our Board Certified Behavior Analyst provides training to providers, teachers, early childhood educators, etc. on managing a crisis situation. Participants will be taught how to identify an escalating crisis, what strategies can be used to prevent a crisis from escalating, how to manage their own behavior while assisting someone in a crisis, and how to resolve a crisis.

modocnationhealthservices.com/abc-therapy

918.800.2965

Incredible Years - Beginnings Parent Program

The Incredible Years® evidence-based early intervention parenting programs focus on strengthening parenting competencies and fostering parent involvement in children's school experiences, to promote children's academic, social, and emotional skills and reduce conduct problems. This training is possible in groups of parents/caregivers based on the following age groups: toddlers (1-3 years), preschoolers (3-6 years), and school age (6-12 years).
