## Classes & Group Support by Modoc Nation Behavioral Health

### **Alcohol & Drug Substance Abuse Courses (ADSAC)**

ADSAC courses help people with driver's licenses that have been suspended or revoked due to alcohol or drug-related offenses by identifying substance abuse issues and reduce repeat offenses through assessments, classes, and treatment programs.

[modocnationhealthservices.com/lost-river](https://modocnationhealthservices.com/lost-river)

918.303.5433

### **Mental Health First Aid**

Mental Health First Aid for Adults teaches people how to recognize signs of mental health or substance use challenges, how to offer & provide initial help, and how to guide a person toward appropriate care.

[modocnationhealthservices.com/lost-river](https://modocnationhealthservices.com/lost-river)

918.303.5433

### **Narcan Training & Education**

Narcan training designed to empower community members with the knowledge and skill to respond effectively to opioid overdoses. This initiative also aims to combat the stigma surrounding substance misuse.

[modocnationhealthservices.com/lost-river](https://modocnationhealthservices.com/lost-river)

918.303.5433

### **Active Parenting**

Active Parenting training programs provide parents with essential skills and strategies to foster positive child development and effective parenting techniques. Parents learn effective techniques to communicate with their children, manage behavior, and foster a positive home environment.

\*Limited Eligibility

[modocnationhealthservices.com/lost-river](https://modocnationhealthservices.com/lost-river)

918.303.5433

## Question, Persuade & Refer - QPR

QPR stands for Question, Persuade, and Refer — the 3 simple steps anyone can learn to help save a life from suicide. People trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. QPR can be learned in our Gatekeeper course in as little as one hour.

[modocnationhealthservices.com/healing-house](https://modocnationhealthservices.com/healing-house)

918.876.0437

## Youth Mental Health First Aid

Identify. Understand. Respond. Mental Health First Aid is an evidence-based, early-intervention course that teaches participants about how to recognize mental health and substance use challenges.

[modocnationhealthservices.com/healing-house](https://modocnationhealthservices.com/healing-house)

918.387.8720

## De-escalation Strategies

Our Board Certified Behavior Analyst provides training to providers, teachers, early childhood educators, etc. on managing a crisis situation. Participants will be taught how to identify an escalating crisis, what strategies can be used to prevent a crisis from escalating, how to manage their own behavior while assisting someone in a crisis, and how to resolve a crisis.

[modocnationhealthservices.com/abc-therapy](https://modocnationhealthservices.com/abc-therapy)

918.387.8720

## Incredible Years - Beginnings Parent Program

The Incredible Years® evidence-based early intervention parenting programs focus on strengthening parenting competencies and fostering parent involvement in children's school experiences, to promote children's academic, social, and emotional skills and reduce conduct problems. This training is possible in groups of parents/caregivers based on the following age groups: toddlers (1-3 years), preschoolers (3-6 years), and school age (6-12 years).

[modocnationhealthservices.com/abc-therapy](https://modocnationhealthservices.com/abc-therapy)
